

Advanced Police Motor Officer Training Course

Hosted by the
Lawrenceburg Police Department Training Division
349 Walnut St. Lawrenceburg, IN 47025

Training dates: Tue June 11th through Thur June 13th
Price is only \$275.00 per Officer.

Guest Instructors will be from **Motor One** LLC

Instructor Information can be viewed at www.motoronellc.com

Topics of Training will include but not limited to the following:

- **Escort Training:** Detailed classroom lecture and real world training. Real world training begins with local roads being utilized, working up to Interstate closures for maximum effectiveness.
- **Cone Course Training:** Exposes the officer to advanced braking courses and enhanced operational skills on a cone course. While executing the cone course officers quickly appreciate taking their skills to a new level. This training reduces accidents and lost officer time on patrol.
- **Firearms Training:** The final area of concentration. This will take place on a live range utilizing firing from the motor with cover and concealment drills.

Class size is limited to 24 motor officers

Registration will be closed after Wed April 17, 2013

Contact Sgt. Ken Losekamp at 812-537-2284 ext. 3105 or by email at klosekamp@lawrenceburgpolice.com for course registration. Department fax 812-537-4066

A copy of the registration form and liability waiver can be downloaded from the Lawrenceburgpolice.com website. However to register for the course contact Sgt. Ken Losekamp directly.

Payment will be by **check only** and can be made out to the City of Lawrenceburg. You must prepay for the course or make arrangements with Sgt. Losekamp prior to attending.

Each officer must complete and sign the waiver of liability to attend the course. **You will be conducting live escorts and be live firing during this course.**

Required equipment:

Normal riding gear, helmet, boots, rain gear, duty belt with pistol. You will also need apx. 50 rounds of practice ammunition, ball rounds no jacketed rounds. If this is problem for your agency arrangements can be made.

Your motorcycle and any protective equipment you might need to protect various parts of your motor during training.
